From the Principal

Thank You
I wish to start our final newsletter of 2016 with a great big thank you!

Thank you to our Hebel community, the staff and the students for making 2016 such a great year. We have achieved great things this year and I am extremely proud of how far we have come.

Thank you to the P&C for all the support throughout the year. You do a wonderful job and your time and effort is very much appreciated.

Thank you one and all! Have a wonderful break, enjoy the time with your families and loved ones, and I look forward to seeing you all safe and well in 2017.

I will see all students on Monday the 23rd of January for the commencement of the 2017 School year.

Merry Christmas!

Awards Night
The Hebel State School Awards night is fast approaching. It is this THURSDAY night the 8th of December. The evening commences at 5:30 for a 6pm start. I look forward to seeing everyone then.

Enrolments
Is your child enrolled at Hebel for 2017? If you are wanting to enrol your child at our fantastic little school now is the best time! Come and visit our school, chat with staff and students and enrol your child for 2017 today. We look forward to meeting with you.

Uniform Orders
Just a reminder to new and returning families that it would be a really good idea to get your uniform orders in before the end of 2016. While the P&C keep a range of sizes, if we need to order more items for you the Christmas period is the ideal time. This means your items will be ready and waiting when you return for 2017. I have attached an order form to this week’s newsletter for your convenience.

Christmas Celebrations
On Tuesday the students will celebrate with a Christmas lunch provided by Miss Robinson and enjoy gift giving with their Secret Santa. Parents, please ensure your child has their Secret Santa gifts at school on Monday.
Prep Transition
This week we had the last of Prep transition for our 2017 Prep students. This is an important learning experience for our students to give them an idea around what it is like at school. Our 2017 Prep students took the days in their stride. Enjoying a range of literacy and numeracy activities, fine and gross motor development and even library lessons. We look forward to having our 2017 Prep on board next year.

Water Play
As a celebration of how hard the students have worked this term, and because it is very warm today, we had a water play afternoon. The students thoroughly enjoyed their time under the sprinklers cooling off and also enjoyed their ice blocks. Well done Hebel, as always you have done yourselves proud!

Andy Jones Visit
On Wednesday we will have a visit from Andy Jones, a children’s performer to work with the students on a music program. Andy has been touring the area and we are looking forward to the fun times he will bring to Hebel. If you are in Hebel between 2-3pm on Wednesday why not pop in to see the children’s performance.

Student of the Week
The lucky last student of the week for 2016! Congratulations Ruby! Ruby is an all round student who strives for excellence in all areas. Ruby is extremely diligent when it comes to safety and likes to ensure we are all working in a safe learning environment. Great work Ruby and thank you for your passion.
Water Play and Ice Blocks

Public information session

The Murray-Darling Basin Authority is holding a public information session on proposed amendments to the Basin Plan.

These include proposed changes to water recovery in the northern basin, groundwater in three areas and minor practical changes to the Basin Plan to make it more consistent and effective.

SESSION DETAILS

DATE
Wednesday 7 December

TIME
12:00 pm–3:00 pm

LOCATION
Dirranbandi Civic Centre, Kirby St, Dirranbandi
